RECEIVED
NOV 12 2003
CORBIN DAVIS
CLERK SUPREME COURT

Dear Sir

It seems that Michigan Supreme Court are being used as tools of the asbestos industry and big business to deny working people their constitutional rights to jury trials when harmed by corporate misconduct

What are the true facts about asbestos litigation in Michigan? In fact in the last four years: there has been one asbestos case tried to verdict in the entire State of Michigan. All other cases settle before trial

My husband got poisoned by just earning a living and shortened his life

Sincerely
