CORBIN R. DAVIS
CLERK SUPREME COURT

Sir,

I have been reliably informed that that supreme court bench is up to some real dirty tricks.

They are taking steps that would change the law by denying Michigan Asbestos victims their right to a jury trial.

Mich and the mich supreme court are being used as tools of the Asbestos industry and big business to deny working people their constitutional rights to jury trials when harmed by Corporate misconduct.

What are the true facts about asbestos litigation in Mich? Well, in fact in the last 4 years, there has been only one asbestos case tried to verdict in the entire state of Mich all other cases settle before trial.

The supreme court is dominated by conservatives who might take every opportunity to further deny working people of Michigan their Constitutional rights.!

In addition I was confounded to learn

Yeah - Dennis is a big shot and he is smart enaught to not bite the hand that feeds 'em.

~~Lik~~ Like most politicians he seems to have forgot where he came from and will apparantey try to do the wrong thing.

He seems like a loose cannon in the arena of law and he is shooting helpless people down left and right.

Do [Not] let that bill Court Rule No. 2003-47 pass it means so much to us for it to be terminated

We pray that it will.
