CORBIN DAVIS
CLERK SUPREME COURT

11405 Telegraph
Taylor, Mich. 48180
Nov. 7, 2003

Dear Michigan Supreme Court,

In referance to Proposed Court Rule No. 2003-47. We were always under the impression that a court was to interpret a law not to make one. Are the Courts in Michigan and the United States undermining peoples rights and destroying citizens Rights and our great country from within Will people eventually lose all their Constitutional rights to a jury trial and destruction of rights to working people.

All people in Our Great Country should have the right to due process by jury.

Please do not weaken our Court System by doing something other than interpreting and help keep our Country strong from within.

Sincerely
Violet Bentley
