To the Supreme Court of Michigan

It has been brought to My Attention That the Supreme Court of Michigan are asked to change our Constitutional law.

That would deny and deprive Me of the right To Trial by Jury. I am refering to proposal (Court Rule No. 2003-47)

The Michigan Constitution as well as the United States Constitution makes it clear that Judges are Not to Make the Law but rather Interpret the law. Why is the Michigan Supreme Court even Considering taking steps that would effectively change the law by denying Michigan asbestos disease victims their right to a Jury Trial

It seems that Michigan and the Michigan Supreme Court are being used as tools of the Asbestos industry and big business to deny Working people their Constitutional rights to Jury trials when Harmed by Corporate Misconduct.

Yours Truly
Walter T. Boyer
