To "Court Rule-2003-47"
Michigan Supreme Court
Judges..

I would just like to say
that I would like to have
my rights as a person who
has worked around asbestos
for fifteen years & didn't
realize it. Why would you
want to take away my rights
for compensation. Give some
elderly people a break sometime

RECEIVED
NOV 12 2003
CORBIN DAVIS
CLERK SUPREME COURT

Thank you
