CORBIN DAVIS
CLERK, SUPREME COURT

Weds. 10/29/03

To Michigan Supreme Court; I am writting in regards to proposal Court Rule No. 2003-47.

I am sorry that your wrong! because the Michigan Constitution as well as the United States Constitution makes it clear that judges are not to make the law but rather interpret the law, so please answer me why the Michigan Supreme Court would even consider taking steps that would effectively change the law, and deny Michigan asbestos disease victims there "right to a

jury trial".

You know the real crisis in Michigan is the failure of corporations to take responsibility for there bad actions, and the willingness of big business and certain "conservative republican judges to blame the victims of corporate misconducts, instead of holding the corporations accountable!

Thank You

Mr. Carlos Espino
