Michigan Supreme Court:

My name is Anthony Mastrodonato I'm writing regarding to proposal court Rule No. 2003-47.

I'm a victim of asbestosis, and live with the fear of developing cancer as a result of this condition.

I believe that this bill is un-constituional and takes away my rights to a fair trial.-

I am very opposed to court Rule No. 2003-47.

thank you

Anthony Mastrodonato
