Michigan Supreme Court.
State of Michigan.

Asbestos Lung Disease.
Cancer. please consider. I am asking.
My point. Refer to proposed Court Rule No. 2003-47
Let my voice be heard in opposition to this
Constitutional, illegal and politically motivated
effort to deny me and other working people
of their right to a trial by jury.
It seems that Michigan and the Michigan Supreme
Court are being used as tools of the asbestos industry
and big business to deny working people their
Constitutional rights to jury trials when harmed
by corporate misconduct.

My Rights Stand up and be Counted
Again Thank you so much
Very Truly yours
