RE: COURT RULE NO. 2003-47

We are in opposition to the above.

Court Rule as the Michigan Consitutation as well as the United States Constitution makes it clear that judges are not to make the law but rather interpret the law. Why is the Michigan Supreme Court even considering taking steps that would effectively change the law by denying the Michigan asbestos disease victims their right to a jury trial.

Also, it seems that Michigan and the Michigan Supreme Court are being used as tools of the asbestos industry and big business to deny working people their constitutional rights to jury trials when harmed by corporate misconduct.

We hope our voices will be heard regarding this Court Rule No. 2003-47.
