Supreme Court

I am writing this letter in regardes To the Court Rule-No-2003-47

As A victim of the asbestos disease (Metheoleoma) I strogle hope this court Rule dose not pass I have worked in a fondry for All most 40 years - As I have had cancerous lung removal caused by Asbestos my life has shortned very muck I am in my 80 yrs.

IT seems that Michigan and the Michigan Supreme Court are being used As Tools of the Asbestos industry and Big business to deny the working people their constitional rights To Jury Trials when harmed by corporate misconduct.

I Liked the saying of
former President
John. F Kennedy
What we can do for America
What the Supreme Court of
Michigan can do for <u>US</u>

Thanking you
Sincerely
Elmer R. Portz
