To whom It May Concern:

I am writing concerning about the Proposed Court rule No 2003-47

For one thing

Why is the supreme Court considering of even taking steps that may have effect on abestos disease victims. I am not a good speller or writer but I would like to express my opinions. The people affted like me am trying to get what we can get for this abestos sickness.

Please take time to look over all the details. mostly for the poor who qualify

Thank You
