Supreme Court ADM File # 2003-04
MCR 6.508 (F)
PERFECT EXAMPLE

I don't have no money and I really need a attorney who knows how to do appeal work. I have been in prison for 21 years for armed robbery - when the sentencing guideline was 3 to 7 minimum They gave me a 30 year sentence.

The appeal attorney did not do what he should of did. So I paid an attorney and he just took my money. I went to the Attorney Grievance Commission and had him suspended for 18 months for taking my money. I don't know how to do appeal work - so I need some help. - if the ~~ab~~ rules can't help me get to court when the attorney Grievance Commission suspends an attorney - I should have a new appeal of right - with another attorney appointed - right away with order of ~~[illegible]~~ - suspension - ~~from~~ from the courts - when notified by Attorney Grievance Commission.
