RE: Proposed Court Rule changes
ADM File No. 2003-04

I am originally from Puerto Rico, and at the time I exhausted my Direct Appeal I couldn't fully understand nor speak English. If the court impose a Rule that will limit a MCR 6.500 motion to one year, People like me, who can't fully speak or understand English that well, will not be able to adhere to the year time limit. I sincerely Pray this court Does not impose such a Restriction. I also object to all the proposed court Rule changes, and concur with James Sterling Lawrence's objections.

Sincerely,
J. Martinez
