CLERK SUPREME COURT

to: Michigan Supreme Court

Regarding Court Rule no. 2003-47

If Court Rule 2003-47 is passed it would be another nail in the coffin of the good people of this once great Nation. The people of this land are suffering in no small part because of the decisions that our judges and politicians make.

It seems that Michigan and the Michigan Supreme Court are being used as a tool of the asbestos industry and big business to deny working people their constitutional rights to a jury trial when harmed by Corporate misconduct
