November 1,

Proposed:
Court Rule No. 2003-47

To: Supreme Court.

The Michigan Constitution as well as the United States Constitution makes it clear that judges are not to make the law but rather interpret the law. Why is the Michigan Supreme Court even considering taking steps that would effectively change the law by denying Michigan obestos disease victims their right to a jury trail.

P.S. They caused the lung disease.

Thank you
