Michigan Supreme Court
Dear Sir:

In regards to Court Rule No. 200
I am against this proposal and s
right to a trial by jury, as I've got
asbestos cancer and I don't want this L
Changed.

It seems that Michigan and
Michigan Supreme Court are being use
as tools of the asbestos industry and t
business to deny working people their
Constitutional Rights to jury trials when
harmed by corporate industry.

The real crisis in Michigan is the
failure of corporations to take responsibility
for their bad actions and the willingne
of big business and certain conservative
judges to blame the victims of corporate
misconduct instead of holding the
Corporations accountable.

CORDIN R. DAVIS
CLERK SUPREME COURT

Thank you!
