Please be advised that the working people of Michigan are much opposed to any thought of passing "Court Rule #2003-47.

It seems that Michigan and the Michigan Supreme Court are being used as tools of the asbestos industry and big business to deny working people their constitutional rights to jury trials when harmed by big corporate misconduct. Why then is the Michigan Courts even thinking of changing the laws of our Michigan Constitution? The trial by jury is a fair and just law and has served our state for many, many years. Again we are asking the Court not to pass Court Rule #2003-47.

Respectfully,
