To Michigan Supreme Court: Rule No -2003-4

I Letting My Voice be Heard in opposition the Constitutional, illegal and politically effort to deny and Many other Working people of our Rights to a trial Jury.

The Michigan Constitution As Well as the United States Constitution Make it clear that Judges are not to Make the Laws, but Rather interpret the Law. Why is the Michigan Supreme Court Even Considering Taking steps that would effectively change the La by denying Michigan asbestos disease Victim the Right to a Jury trail.

Please do not Rob me and Many other of the asbestos lung disease. I am from Sylvania Ohio 43560 - 6105 Stewart Rd, and I have Worked for Consumers Energy, (also Known in the past as Consumers power - Erie Rd, Erie Michigan, I worked for the powder Company for 23½ yr. in Asbestos and I have the Asbestos lung desease. - I have now Retired since April 1, 2001.
