Nov 3rd, 2003

Supreme Court Clerk,

The Michigan Constitution as well as the United States Constitution makes it clear that judges are not to make the law but rather to interpet the law. Why is the Michigan Supreme court even considering taking steps that would effectively change the law by denying Michigan asbestos victims their right to a jury trial?

I had cancer surgery five years ago & haven't been able to eat or drink since. I take everything thru a feeder tube in my stomach.
