CORBIN DAVIS
CLERK SUPREME COURT

Please help us.

Refering to Proposed Courtrule No 2003-

To the Michigan Supreme court

I am writing to you to ask ya to help us workers of Michigan on the asbestos industry. We in Michigan and our Michigan Laws do try to protect

But it sadding me to hear th Some of michigan manufactures is try to pettion you to go against the very law that protects us. Please don't let t manufactures do this to us. We worke hard and long in these places with this harmful stuff. We deserve our dues.

It seems that Michigan Constitution as well as the United Stat Constitution makes it Clear that judges a not to make the law but rather interp the Law. Why is the Michigan Supreme cou even considering taking Steps that would effect change the law by denying Michigan asbestos disease victims their right to a jury trial.

Thank You Mrs Juanita Golde
