29 Oct. 2003

Supreme Court Clerk

Why is the Michigan Supreme Court considering taking steps that would change the law by denying Michigan asbestos disease victims their right to a jury trial?
The asbestos industry and law firms like Dickinson Wright feel free to try to take working peoples' lawsuits out of court and away from juries. Big business and conservative judges should not blame the victims of corporate misconduct, but these corporations should be held accountable.

Sincerly,

Mary K. Jozwiak
