RECEIVED
DEC 11 2003
CORBIN R. DAVIS
CLERK SUPREME COURT

Dear Sir

The Michigan Constitution as well as the United States Constitution makes its clear that Judges are not to make the law but rather interpert the law. Why is the Michigan Supreme Court even considering taking steps that would effectively change the law by denying Michigan Asbestos disease victims their rights to a Jury trial.

Judges please think twice before denying working class citizens of Michigan there Constitution Rights

Respectfully Yours
Mattie R Winston
