Dear Sirs,

I think the changing of the proposa court Rule no. 2003-47 is terrible. my husband has asbestosis now and it can lead to lung cancer and Etc. at any t. It all depends on how his body handles

there are 5 points in regard to the would like to mak.

RECE
OCT 30 200
CORBIN DAVIS
CLERK SUPREME COURT

1) The michigan constitution as wa the United States constitution makes it clear Judges are not to make the law, but rath interpret the law. why is the Michigan Su court even considering taking steps that wou effectively change the law by denying Michig asbestos desease victims their right to a j trial.

2). It seems that michigan and the Michigan Supreme court are being used as tools of th asbestos industry and big business to deny w people their constitutional rights to jury trials when harmed by corporate misconduct.

). The crisis in the State of Michigan regard
asbestos litigation is the fact that big bu
corporations, the asbestos industry and law
the Dickinson Wright fal free to try to ta
working people's lawsuits out of court and ava
from juries.

1.) The real crisis in Michigan is the failu
corporations to take responsibility for their
actions and the willingness of big business
certain conservative republican judges t
blame the victims of corporate misconduct
instead of holding the corporations accounta

) What are the true facts about asbestos
litigation in Michigan? In fact in the la
four years, there has been one asbestos c
tried to verdict in the entire State of Mich
all other cases settle before trial.

Why do this to the people that wor
hard for all of a living can be known to
that their Health was in danger.
