Re: ADM 2009-13

Dear Mr. Davis:

My name is David Parker. I have practiced appellate law with Charfoos & Christensen for nearly 25 years now. I fully support the suggested changes to MCR 2.112(L) and MCR 2.118(D) as suggested by ADM 2009-13.

I wholeheartedly adopt the comments made by MAJ President-Elect Barry Gates, set forth in his letter of September 25, 2009. I simply add that the simplicity and uniformity which adoption of these proposed amendments would provide would save everyone – attorneys and court personnel alike – considerable time and money during the litigation process.

Thank you for your attention to this letter.
