Re: Proposed Amendment to MCR 6.001
ADM File 2010-13

Dear Mr. Davis:

The staff note does not make any sense in relation to what is actually being proposed by the amendment. The proposed amendment is much more expansive and is likely to have a devastating impact on the accused who is seeking justice in the court system. If adopted, it will fly in the face of the first sentence of MCR 6.002: These rules are intended to promote a just determination of every criminal proceeding.

Thank you for this opportunity to comment on the proposed amendment.

Sincerely,

Susan K. Rock
