STANDING TOGETHER FOR CHILDREN IN CHALLENGING TIMES

#MovingForwardTogether

Every year the Governor's Task Force on Child Abuse and Neglect (GTFCAN) Annual Summit brings together a wide range of child welfare professionals to explore and understand critical issues impacting children and families. The 24th Annual Summit will be held virtually. The format is different, but the need is the same or even greater.

The training the Annual Summit offers is critical as we rapidly adapt to support the health and safety of Michigan's children and families. The GTFCAN remains committed to offering practical, innovative and inspirational training to support the improvement and evolution of the handling of child abuse and neglect cases. The role of this summit is to highlight innovative ideas, address critical topics and embrace our theme "Standing Together for Children Through Challenging Times." Additional details will be shared in the upcoming months.
