

## REGIONAL *Quick Tip*

STATE COURT ADMINISTRATIVE OFFICE

### **MiFILE – Statewide E-Filing Project**

The attached document “Remind Me, What is MiFILE?” provides helpful updates regarding the statewide e-Filing project.

The five pilot courts that were already using e-Filing, the 3<sup>rd</sup>, 6<sup>th</sup>, 13<sup>th</sup>, 16<sup>th</sup> and 20<sup>th</sup> Circuit Courts, have been successfully implemented on the initial phase of MiFILE and over 250,000 documents have been filed as of the first quarter of this year. Now the project team is focusing on three model courts: the 22<sup>nd</sup> Circuit (Washtenaw), the 37<sup>th</sup> District (Warren) and the Ottawa County Probate Court.

A map of the statewide rollout is provided in the attached document and a wealth of information is available on the [statewide e-Filing initiative page](#).

The project team is working hard to address all questions and to overcome any obstacles to successful e-Filing implementation. To that end, the team will provide additional information about scheduling and budgeting as soon as possible. If you have any questions about how MiFILE will impact your court, please contact me and I will either answer your questions or direct you to the appropriate MiFILE team member. The Regional Offices are excited about the statewide e-Filing roll-out and are here to help every step of the way.

We welcome your suggestions for future Quick Tips. Please send them to us so that we can share with your colleagues.
