

July 2020 Michigan Bar Examination Results

July 2020 Certified Passers

Please read the following carefully!

The results of the July 2020 bar examination were released to applicants on October 27, 2020. The results were mailed by United States Postal Service to the address registered with the Board of Law Examiners. **If you have moved and have not advised the Board's office of your new address, send this information to the Board of Law Examiners immediately using the address change form on the Board's website. Address changes will NOT be taken by telephone or fax but may be e-mailed to the Board at BLE-Info@courts.mi.gov.** Applicants who do not have character and fitness clearance or who have not passed the Multistate Professional Responsibility Examination (MPRE) will receive unofficial results only and do not appear on this list. Applicants who have not been certified as having graduated from law school will not receive *any* results until that certification is received by the Board of Law Examiners and do not appear on this list. Applicants who have not provided a copy of their government issued identification to the Board of Law Examiners will not receive *any* results until that identification is received by the Board of Law Examiners and do not appear on this list.

DO NOT call or e-mail the Board of Law Examiners or the State Bar of Michigan for results information. Results will not be released over the telephone or by e-mail.

Unsuccessful applicants should refer to their results letter for applicable forms, fees and deadlines for the February 2021 bar examination. Unsuccessful applicants who have not passed the MPRE and/or who do not have character and fitness clearance and graduated from law school more than two years ago are not eligible to retake the examination until a passing MPRE score and/or character and fitness clearance are received. Those applicants will not receive re-examination forms until eligibility is established. Applicants who do not have character and fitness clearance and who graduated from law school within the past two years should contact the Board's office to determine their eligibility for a re-examination form.

Do not schedule any admission ceremony until you have your official results.

You must wait ten business days for the delivery of your results. If you have not received your results by that time, you must submit a written request to the Board of Law Examiners to receive a duplicate results packet. Your request must include the following:

- A statement that you did not receive your original result packet,
- a statement promising to return your original result packet if received,
- your full name and current address.
