

July 2021 Bar Exam Remote Testing Module Times

Applicants are expected to be logged in and ready at the beginning of each designated module.

- The exam begins at 9:00 a.m. Eastern time on both days.
- Fifteen minutes before each module is set to begin, the passwords will be both (1) emailed to the email address provided when registering to use a laptop, and (2) posted on the ExamSoft Michigan user home page at <https://bar.examssoft.io/MIBAR>.
- Applicants can log in and begin the module once the password is obtained, even if it is fifteen minutes prior to the start time listed below.
- Each module has a timer at the top of the screen and will automatically shut down after the designated amount of time has expired.
- Should applicants experience technical difficulties, the Board has built-in a short start window for applicants to contact ExamSoft for assistance on exam day at 1-888-816-3065. We recommend applicants program this number into their cell phones prior to exam day.
- Applicants utilizing the start window will still test for the full amount of time but will have a shorter break prior to starting the next module. ExamSoft software will automatically shut down only after your allotted amount of time expires.
- In the unanticipated event of a wide-scale delay or disruption, applicants will still have available their full testing time. Additionally, if such an event occurs, an email will be sent to all applicants and a revised testing schedule or other instructions will be posted on the ExamSoft Michigan user home page and the BLE July 2021 exam page. The Michigan Supreme Court will also release information via its Twitter, Instagram, and Facebook accounts.
