Subject: Comment on ADM File No. 2002-37

Morning,

I have the following comment for ADM File No. 2002-37 Proposed Amendment of Rule 1.109 of the Michigan Court Rules.

Under Section 1.109(G)(3)(g)(i), I suspect the intention is to allow a litigant to file the request for an exemption **in paper** with the court where the case will be or has been filed. It would be counter intuitive to require a request for an exemption from electronic filing *be electronically filed*.

I recommend the above section include additional language that makes it clear the request can be submitted to the court in **paper** on the form approved by SCAO, etc.

Best Regards,
