re: *ADM File No. 2018-19*

Dear Clerk:

I urge the Court to adopt all the revisions and changes suggested in ADM File No. 2019-19.

This comprehensive proposal is well written, definitive, and accomplishes some of the best discovery changes I witnessed over my 49 years of practice. I especially like the mandatory discovery disclosure provisions and encouragement of early discovery action. The limitation of the number of interrogatories is good.

I am impressed with the proposed changes in the rules, and I urge the Court to put them in place.

Sincerely yours,

Sheldon G. Larky
