RE: ADM2020-06
Proposed Case Evaluation Court Rule Changes

Dear Clerk Royster:

The Executive Board of the Michigan Association for Justice (MAJ) reviewed the Supreme Court's March 19, 2020 Order regarding proposed amendments of Rules 2.403, 2.404, and 2.405 of the Michigan Court Rules.

Please be advised that the Michigan Association for Justice has voted to support these proposed court rule amendments and particularly endorses the elimination of case evaluation sanctions and making case evaluation voluntary.

Please contact me if you have questions or concerns.

Respectfully submitted,

Donna M. MacKenzie
President, Michigan Association for Justice
