COVID-19
SELF SCREENING TOOL

Help stop the spread of COVID-19

Did you know that the state of Michigan offers an automated survey tool to help employees self-screen before coming into work?

VISIT: HTTPS://MISYMPTOMAPP.STATE.MI.US/LOGIN
To create an account and enter: **Employer Code – 7491-7287**

Employees are not required to use this link to conduct your daily self-screens, however, you are required to conduct a self-screen prior to entering any MSC, COA, or SCAO facility until you are informed otherwise.

When you use the MI Symptoms tool, your information will be included in the Judicial Branch Symptoms report, which will include the number of employees who filled out the MI Symptom registration and the number of employees "At Risk" based on symptoms.

Not 'At Risk'   **'At Risk'**   Expired *after 24 hours/* or Not Yet Taken)
